

601025# - קונקטור CAT6A בחיבור מהיר

#### 601025 CAT.6A FTP RJ45 TOOLLESS PLUG

CAT.6A rated connector provide excellent performance for data networks requiring maximum speed and bandwidth

PCB technology provides maximum performance and superior signal quality. Backwards compatible to all lower rated category components

Meeting the ANSI/TIA-568-C.2, ISO/IEC11801 and EN50173-1 specification.

Includes an integrated TIA-568A/B color wiring diagram. Support 10Base-T/100Base-Tx  
100Base-T4/1000Base-T ATM-25/ATM-51/ATM-155

IDC (Insulation Displacement Connector). No need to strip the wire before connecting
